## SAFEGUARDS INFORMATION

Docket Nos. 50-259/260/298

NOV 1 5 1982

Mr. Hugh G. Parris
Manager of Power
Tennessee Valley Authority
500 A Chestnut Street, Tower II
Chattanooga, Tennessee 37401

Dear Mr. Parris:

This is in response to Mr. Mills' submittal of July 22, 1982, regarding revisions to the Browns Ferry Physical Security Plan.

We have determined that certain changes described in the July 22, 1982 letter decrease security effectiveness and are, therefore, inconsistent with the provisions of 10 CFR 50.54(p). These changes are identified in our enclosure. Accordingly, you shall continue to implement your previously approved physical security plan relative to these items.

We agree that the remaining changes are consistent with the provisions of 10 CFR 50.54(p) and do not decrease the effectiveness of the Plan.

The enclosures to the July 22, 1982 letter and the enclosure to this letter contain Safeguards Information and are to be protected from unauthorized disclosure in accordance with the provisions of 10 CFR 73.21.

Sincerely,

Domenic B. Vassallo, Chief Operating Reactors Branch #2

Division of Licensing
