PREHEARING CONFERENCE ORDER

A prehearing conference in the above-captioned proceeding was held in Birmingham, Alabama, on February 13, 1991. Counsel for APCo and Staff are to be commended for their cooperation in facilitating the early completion of the discovery phase of this proceeding. At the conference counsel reported that they have exchanged tentative witness lists and their first-round document production requests. Moreover, they have agreed on a detailed schedule for depositions and document production which, in order to preserve the flexibility to deal with changes in witness availability, they do not wish incorporated in an order of the Board.

Pursuant to their agreement, they are to submit discovery progress reports on April 15, June 17, and August

15 and to complete discovery by the last date. In their last report, they are to indicate whether they contemplate presenting any issues to the Board for resolution prior to hearing. Following receipt of the last report, the Board will set a schedule for resolving any motions, for a prehearing conference (if one appears to be necessary), and for the hearing. Counsel are to present any discovery disputes which they cannot resolve to the Board as they arise.

It is so ORDERED.
