NOTICE OF VIOLATION

Jackson County Schneck Memorial Hospital

License No. 13-05605-01

As a result of the inspection conducted on November 3, 1982, and in accordance with the NRC Enforcement Policy, 47 FR 9987 (March 9, 1982), the following violation was identified:

10 CFR 35.14(f)(2) requires the licensee to conduct a quarterly physical inventory to account for all sources received and possessed.

Contrary to the above, since the date of the last inspection on October 20, 1981, physical inventories were performed on January 29, 1982 and June 4, 1982 to the date of this inspection. These frequencies do not meet the quarterly requirement.

This is a repeat item of noncompliance.

This is a Severity Level V violation (Supplement VI).

Pursuant to the provisions of 10 CFR 2.201, you are required to submit to this office within thirty days of the date of this Notice a written statement or explanation in reply, including for each item of noncompliance: (1) corrective action taken and the results achieved; (2) corrective action to be taken to avoid further noncompliance; and (3) the date when full compliance will be achieved. Consideration may be given to extending your response time for good cause shown.
