

OCT 21 1983

Dear,

This refers to the telephone conversation between you and Mr. H. Kister of this office on October 20, 1983. The conversation was to acknowledge the information you had provided to the NRC resident inspector at Nine Mile Point Unit 2 on October 20, 1983. During the conversation you re-stated your concerns regarding construction activities at Nine Mile Point Unit 2. As indicated by Mr. Kister during the October 20, 1983 telephone conversation NRC Region I intends to investigate the concerns discussed. A representative of the NRC's Office of Investigations will contact you regarding your concerns.

Please contact this office if you can be of any further assistance.

Sincerely,
