Subject: Docket No. 50-482: Annual Radiological Emergency
Preparedness Exercise for 1991

Gentlemen:

The purpose of this letter is to inform you that the Wolf Creek Generating Station Radiological Emergency Preparedness Exercise for 1991 is scheduled to be conducted on August 7-8, 1991. This schedule has been discussed with personnel from Nuclear Regulatory Commission Region IV, Federal Emergency Management Agency (FEMA) Region VII, the State of Kansas, and Coffey County, Kansas. The second day of the exercise has been scheduled in order to meet FEMA objectives.

If you have any questions concerning this exercise, please contact me or Mr. H. K. Chernoff of my staff.

Very truly yours,

Forrest T. Rhodes
Vice President
Engineering & Technical Services
