MEMORANDUM FOR: Mark Flynn
Contracting Officer

FROM: Pamela Kruzic
Designating Official

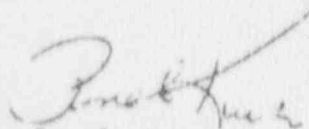

SUBJECT: COMPETITIVE RANGE RECOMMENDATION REPORT FOR
SOLICITATION NO. RS-IRM-89-148, "ACQUISITION
OF A VOICE MAIL SYSTEM (VOMS)"

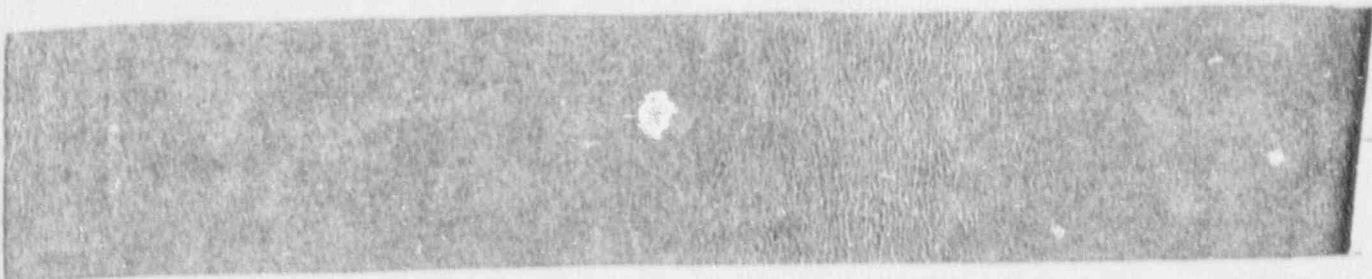

The Source Evaluation Panel (SEP) has completed its evaluation of all seven proposals received in response to the subject RFP.

Three proposals have been determined to be not acceptable.

Although the panel found areas for clarification with respect to four of the proposals, it has determined that these offerors are in the Competitive Range and should be given an opportunity to respond to the SEP's questions before going to best and final.

I concur with the findings of the panel.
