SUBJECT: DEMAND FOR INFORMATION LETTER DATED NOVEMBER 2, 1990  
AND YOUR RESPONSE DATED NOVEMBER 20, 1990

Dear Ms. Vulpetti:

We have reviewed your response dated November 20, 1990 and your License No. 21-04114-12, and have determined that you need to amend your license in order to maintain compliance with 10 CFR 30.35, "Financial Assurance and Recordkeeping for Decommissioning." Specifically, you need to request that the unsealed materials be deleted from your license and you need to specify a total possession limit for the sealed sources listed on your license.

The NRC considers violation of this requirement to be a significant regulatory concern. Therefore, in order for the NRC to determine whether your license should be modified, suspended or revoked, or other enforcement action taken to ensure compliance with NRC regulatory requirements, you are required to respond within 30 days.

If you have questions, please contact our office at (708) 790-5625.

Sincerely,

Original Signed By  
George M. McCann, Chief  
Materials Licensing Section
