

TASK ORDER 002

AMENDMENT NO. 2

NRC-33-90-178

AGENCY UPGRADE OF TECHNOLOGY for OFFICE SYSTEMS (AUTOS)
SYSTEMS ANALYSIS, PLANNING, & BASELINE DESIGN

The above numbered Task Order is amended as set forth below:

1. Under Section C, "WORK REQUIREMENTS," Paragraph C.1., under the heading "Deliverables," the last two sentences are deleted in their entirety. The following is substituted in lieu thereof:

"A draft shall be submitted to NRC 20 working days after contract award for review and approval. Within two working days after completion of NRC review and approval, the Contractor shall furnish a modified copy of the report, incorporating any changes required as a result of the NRC review. The Requirements report shall be updated no more than two additional times as the result of additional information that becomes known to NRC and is in turn furnished to the Contractor during the performance of the work specified in Paragraph C.2. Such further updates shall be furnished within a timeframe as mutually agreed upon between the PO and the Contractor."

2. Under Section C, "WORK REQUIREMENTS," Paragraph C.2.1., under the heading "Deliverables," the last two sentences are deleted in their entirety. The following is substituted in lieu thereof:

"A draft shall be submitted 9 working days after completion of C.1. for review and approval. Within three working days after completion of NRC review and approval, the Contractor shall furnish a modified copy of the report, incorporating any changes required as a result of the NRC review. The Conceptual Design document shall be updated no more than two additional times as the result of additional information that becomes known to NRC and is in turn furnished to the Contractor during the performance of the work specified in Paragraph C.2.2. Such further updates shall be furnished within a timeframe as mutually agreed upon between the PO and the Contractor."

3. The above modification is accomplished without change in the total estimated reimbursable cost, base fee, or award fee of this task order.
4. The amount obligated hereunder remains unchanged.
5. All other terms and conditions of Task Order No. 2 and of the basic contract remain unchanged.
