Gentlemen:

Thank you for your letter of January 30, 1991, in response to a telephone conversation between you and Mr. Wesley Holley of my staff on January 23, 1991. During the telephone conversation, Mr. Holley had requested information in addition to that given in your letter dated January 16, 1991. Your letter dated January 16, 1991, was in response to our letter dated December 24, 1990, which requested information in addition to that provided in your letter dated September 13, 1990. Your September 13, 1990, letter was in response to our letter and attached Notice of Violation both dated August 21, 1990. We have reviewed your reply and find it responsive to the concerns raised in our telephone conversation of January 23, 1991. We will review the implementation of your corrective actions during a future inspection to determine whether full compliance has been achieved and will be maintained.

Sincerely,
