Docket No. 40-8084  
Source Material License No. SUA-1119  
Re: Annual Land Use Survey

Dear Mr. Hall:

Pursuant to the requirements of License Condition #21 a land-use survey was conducted in the area within five miles (8 km) radius of our restricted area boundary. No changes were observed since our last submittal of 9 October 1989. However, we have updated the map and key to reflect the revised (License Amendment No. 27) and current groundwater compliance monitoring program.

Five copies of our revised "Land Use Survey Map" are enclosed. If you have any questions, or need additional information, please call.

Sincerely,

R. S. Pattison  
Manager
