Re: General Electric Company (GETR Vallecitos)
Docket No. 50-70-OLR/70-754-SNMR
ASLBP No. 83-481-01-OLR

Dear Administrative Judges:

In response to your Memorandum and Order of November 19, 1982, received on November 23, 1982, General Electric hereby serves the Petitioners/Intervenors with its November 5th response to the Board's Memorandum and Order of October 12, 1982. While the delay in service is unfortunate, General Electric wishes to point out that it was never previously served with Petitioners' addresses. In filing its November 5th response, General Electric unsuccessfully attempted to obtain the addresses from the Staff attorney, who also had no record of them. In fact, General Electric employees in California made a special effort just to obtain the new address of Jed Somit. For this and future filings, General Electric has updated its service list to include the addresses attached to the Board's November 19 Memorandum and Order.

Respectfully submitted,

George L. Edgar
Attorney for
General Electric Company
