ATTN: Mr. W. J. Foley

Dear Mr. Foley:

Enclosed is a copy of the closeout report for IEB 79-13 as modified from your Revision 5 draft transmitted to us on January 4, 1991. As the changes from your draft were considerable, all the pages of the report are included in the enclosure with the exception of the contents of Appendix A.

Please prepare the camera-ready copy of the closeout report based on the enclosure. After completing preparation of the report, including the appropriate forms, you may release the originals to our project manager, Mr. K. Steven West for publication. Please contact Prasad Kadambi of my staff if you have any questions.

Sincerely,

Original signed by
