Re: UNC 1990 Annual Review of Remedial Action  
Jacobs Engineering Comments

Dear Gary:

Enclosed is a copy of Dick Heydenburg's comments based on his initial review of UNC's 1990 RA annual report. I've spoken with Dick and also Diana Malone of Navajo Superfund in reference to our meeting scheduled for February 5, 1991. They have indicated no schedule conflicts and should be in attendance.

If you have any questions, give me a call.

Sincerely,

Ricky McCoy
