OFFICE OF ENFORCEMENT
NOTIFICATION OF SIGNIFICANT ENFORCEMENT ACTION

Licensee: Radiology-Ultrasound-Nuclear Consultants, PA (EA 90-061)
Freehold, New Jersey
License No. 29-24888-01 39-24888-01

Subject: ORDER IMPOSING CIVIL PENALTY - \$1000

By EN 90-060 dated June 8, 1990, the Commission was notified of the intent of OE to issue a Notice of Violation and Proposed Imposition of Civil Penalty in the amount of \$1,000 to the Radiology-Ultrasound-Nuclear Consultants, PA, Freehold, New Jersey. This action was based on a number of violations involving the licensee's teletherapy and nuclear medicine program which represented a lack of management oversight and attention to the radiation safety program. The licensee responded to the Notice in letter dated "June 21 to July 10, 1990," admitting one violation, denying two violations, and neither admitting nor denying the remaining six violations. In addition, the licensee requested cancellation of the civil penalty. After careful consideration of the licensee's response, the staff has concluded the licensee did not provide sufficient justification to withdraw any of the violations denied or not admitted or denied. In addition no basis was given for mitigation of the civil penalty.

Accordingly, an Order Imposing a Civil Penalty in the amount of \$1,000 has been issued today. Under the terms of the Order, the licensee may within 30 days of the date of the Order, pay the civil penalties or request a Hearing.
