Gentlemen:

Thank you for your letters of September 10, 1982, and September 28, 1982, describing your proposed program for meeting the requirements of NUREG 0737, Article I.C.6, for independent verification of equipment status.

Based on our review of your proposed program, we are in concurrence that your program meets the requirements of NUREG 0737, Article I.C.6. Our final closeout of this item will be based on a subsequent inspection of the implementation of your program.

Sincerely,

Original Signed By,
