OFFICE OF ENFORCEMENT  
NOTIFICATION OF SIGNIFICANT ENFORCEMENT ACTION

Licensee: Portland General Electric Company (EA 91-005)  
(Trojan)  
Docket No. 50-344

Subject: PROPOSED IMPOSITION OF CIVIL PENALTY - \$50,000

This is to inform the Commission that a Notice of Violation and Proposed Imposition of Civil Penalty in the amount of \$50,000 will be issued on or about February 25, 1991 to Portland General Electric Company. This action is based on (1) inaccurate certification of licensed operator medical examinations, (2) failure to notify the NRC of a licensed operator's potentially incapacitating medical condition, and (3) incomplete documentation of medical histories and qualifications data. Though the base civil penalty was escalated by 50% for NRC identification, licensee corrective actions warranted 50% mitigation.

It should be noted that the licensee has not been specifically informed of the enforcement action. The schedule of issuance and notification is:

Mailing of Notice February 25, 1991  
Telephone Notification of Licensee February 25, 1991

The State of Oregon will be notified.

The licensee has thirty days from the date of the Notice in which to respond. Following NRC evaluation of the response, the civil penalty may be remitted, mitigated, or imposed by Order.
