RE: Docket No. 030-17472
License No. 37-19350-01

Dear Mr. White:

The following corrective action has been taken concerning deficiencies found during the November 8, 1990 inspection. Leak tests were performed on November 9 and November 12, 1990 on the two Troxler Gauges (Model 3411B, Serial Nos. 17183 and 13190). In addition, a physical inventory of all gauges was performed on November 9, 1990. A better system of tracking the compliance with the conditions of License No. 37-19350) will be utilized immediately by the writer.

It is hoped the above information is sufficient for your use. If there are any questions, please contact me at your convenience.

Sincerely,

NEW ENTERPRISE STONE & LIME CO., INC.
