MEMORANDUM FOR: Carlton Kammerer, Director
Office of Congressional Affairs

FROM: James R. Shea, Director
Office of International Programs

SUBJECT: EDITED TRANSCRIPT AND Q AND A'S FOR COCHRAN HEARING
ON INTERNATIONAL NUCLEAR SAFETY CONCERNS

Attached, as promised to Steve Kent of your staff, is an edited copy of the transcript for the May 8 Cochran hearing in which I testified for NRC. My revisions are written in throughout the text. Also attached are the additional questions (and answers) for the record, which it was agreed NRC would be permitted to submit in writing because we were not permitted time to address them during the hearing. These are questions which should have been directed to us and were instead raised with the GAO (which either had no information on them or incomplete information, at best). These additional questions and answers have been fully coordinated with AEOD.
