Dear Mr. Beach:

I received a phone call from Mr. Blaine Murray of your office today. He noted that several dates in our recent annual report were given as 1989 instead of 1990. These errors have been corrected and you should replace the January 23 version of the annual report of the U.S. Geological Survey TRIGA reactor facility with the attached copy. Our facility docket number is 56-274.

Sincerely,

Timothy M. DeBey  
Reactor Supervisor
