Subject: Reprocessing Public Meeting: Voice Message
Date: Friday, March 06, 2020 10:31:00 AM

Meraj, for your information:

On March 4, 2020, at 3:55 pm, Joni Arends of Concerned Citizens for Nuclear Safety left a voice message stating that she thought the "Status of Spent Fuel Reprocessing Rulemaking" Category 3 public meeting was adjourned before 4 pm EST and that she had several comments on the reprocessing rulemaking that she was unable to make. I returned her call at 4:40 pm later that afternoon and left a voice message stating that she could call or email me back. I provided my phone number and email address for Ms. Arends in the message.

Regards,
Wendy
