Docket No. 50-199

Manhattan College Corporation
ATTN: Dr. Robert E. Berlin
Reactor Administrator
Manhattan College Zero Power Reactor
c/o Mechanical Engineering Department
Riverdale, New York 10471

Gentlemen:

Subject: January 7, 1991 Management Meeting Summary

This letter transmits a report that summarizes the discussions conducted during a meeting held in your offices on January 7, 1991. The meeting was attended by you and other members of your staff, and by Dr. Robert J. Bores and other NRC representatives. At that meeting the results of the recent NRC inspection (Inspection Report No. 50-199/90-02) were reviewed. You provided information concerning the actions that you have taken or planned to address the findings of the above mentioned inspection report.

We found the meeting useful in understanding your actions being taken to correct the violations and resolve the concerns identified in the above mentioned report.

No reply to this letter is required.

Your cooperation with us is appreciated.

Sincerely,

Original Signed By:
