Gentlemen:

SUBJECT: CONFIRMATION OF MEETING ARRANGEMENTS

This confirms the arrangements made between you and Mr. Charles M. Hosey of this office during telephone conversations on January 3, 1991, concerning a management meeting to be held in the Region II office at 1:00 p.m. on January 30, 1991.

We requested this meeting to discuss NRC concerns regarding management control over licensed activities at your facility, the extent of involvement of the Radiation Safety Officer in nuclear medicine activities, frequent turnover of authorized users, and actions being taken to assure that licensed activities are in full compliance with NRC requirements. A proposed meeting agenda is enclosed.

Should you have any questions regarding these arrangements, we will be pleased to discuss them.

Sincerely,

JS

J. Philip Stohr, Director
Division of Radiation Safety
and Safeguards
