MEMORANDUM FOR: Parties to San Onofre 2 and 3 Proceeding
Dockets 50-361/362)

SECRETARY
DOCKETING & SERVICE
BRANCH

FROM: Scott W. Stucky, Chief, *Stucky* Docketing & Service Branch

SUBJECT: Correction Notice

SERVED NOV 24 1982

Upon reconsideration, it has been decided to publish the Commission's Memorandum and Order served on 19 November 1982 in this proceeding. Accordingly, a Commission Legal Issuance designation (CLI-82-35) has been added to the first page of the order.

Moreover, a sentence was inadvertently omitted from page 2 of the above order as served. Immediately after the last sentence on that page, the following line should be inserted as a separate paragraph:

"Commissioners Gilinsky and Asselstine dissent from this decision."

Corrected pages for your copies are attached; please insert them in place of those originally served. The corrected version will be published in the official Nuclear Regulatory Commission Issuances.
