For Region 1 OL review time, all time reported on Millstone 3 as QAT or 3BH should be excluded from the OL Review time, in my opinion, because the Millstone 3 FSAR Chapter 17-2 says "QA during operational phase is described in Topical Report No. NU-QA-1, Rev. 4A approved on 4/9/82" (\$390 was paid for 10 hrs. of NRR review time for Rev. 4).

According to IE data on topicals on _____ for QA, the only other Region 1 ^{CASE} with a topical for QA is Yankee. Yankee does not have an OL review case. Attached is the sheet on Reactor Licensees with and without QA's as Topical Reports.

Docket No. 50-454
50-455

Commonwealth Edison Company
ATTN: Mr. Dennis L. Farrar
Director of Nuclear Licensing
P.O. Box 767
Chicago, Illinois 60690

Gentlemen:

As you are aware, 10 CFR 170 of the Commission's regulations for license and inspection fees was revised effective June 20, 1984. Section 170.12(b) of the revised rule provides that for applications for permits, licenses, facility reference design approvals, and special projects which have been on file with the Commission for review for six months or longer, the first bill for accumulated review costs would be sent to the applicant at the time the rule becomes effective and thereafter at six-month intervals or when the review is completed, whichever is earlier. The first bill for the operating license (OL) review will include applicable professional staff review time expended through June 23, 1984, and contractual support services expended to May 31, 1984. Subsequent bills covering six-month reviews will be issued approximately ninety days after the end of each six-month period which closes in December and June of each year.

Consistent with the requirements of 10 CFR 170.12(b), we have completed the cost analysis for the Byron 1 and Byron 2 OL application reviews for the period specified above. The cost through that period is \$2,757,405 for Byron 1 and \$584,546 for Byron 2. The Office of Resource Management has been notified to bill your Company for this amount. When making payment, please make reference to the bill number.
