Mr. Cass R. Chappell, Section Leader,
Cask Certification Section,
Transportation Branch,
Room 20852, Mail Stop 6H3,
United States Nuclear Regulatory Commission,
One White Flint North,
11555 Rockville Pike,
Rockville, Maryland,
USA 20852

Dear Mr. Chappell

**RE: Application for a Certificate of Compliance
for the Titan Gamma Radiography Exposure Device**

Please find enclosed a number of copies of the Nordion International Inc. Reports:

- A. Test report TR 9302 N990 - test report for the Titan Gamma Radiography Device.
- B. Technical report TR 9303 N990 - Technical assessment of the Titan Gamma Radiography Exposure Device with respect to the requirements of 10 CFR part 34, ANSI N432 - (1984) and 10 CFR part 71.

regarding obtaining approval for a certificate of compliance as a device and allowing us to ship domestically in the U.S.A.

If you have any questions please call myself or Mr. Mike Krzaniak at 2035.

Thank you for your attention to this matter.

Sincerely,

J. Stirling
