Unit No. 1) }

Docket No. 50-289  
(Restart)

NRC STAFF RESPONSE TO INVITATION TO COMMENT  
ON OTHER PARTIES' ARGUMENTS AND  
PUBLIC COMMENTS ON IMMEDIATE EFFECTIVENESS

By Order dated October 6, 1982, the Commission invited the parties to respond to the matters raised by the public in the evening session of the Commission's November 9, 1982 public meeting in Harrisburg, Pennsylvania on the restart of TMI-1. By Order dated November 15, 1982, the Commission invited the parties to respond to the arguments made by the other parties during the November 9th afternoon presentations. Parties desiring to comment on these matters were asked to have their comments received by the Commission by November 30, 1982.

The NRC Staff has reviewed the transcripts of both the afternoon and evening sessions of the November 9, 1982 meeting as well as the written comments submitted by the public. By letter dated November 11, 1982 from Hugh L. Thompson, Director, Division of Human Factors Safety, NRR, to Mr. Samuel J. Chilk, the Staff supplemented the record in

response to Commissioner Gilinsky's question at the afternoon session regarding the Staff's response to the VV-0 incident. Beyond that, the Staff has no further comments that it wishes to provide.

Respectfully submitted,

  
Jack R. Goldberg  
Counsel for NRC Staff
