The Assistant Director for Export/Import
and International Safeguard
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Sir:

Re: NRC Export License Application for Special Nuclear
Material

Pursuant to Part 110 of Title 10, Code of Federal Regulations,
we hereby apply for two licenses to export special nuclear mater-
ial in the form of UO2 to be shipped to The Tokyo Electric Power
Co., Inc.

For further information, please call collect to the undersigned
at 212-878-4131.

Very truly yours,

for H. Hattori
Deputy General Manager
Metal 2nd Dept.
