Docket Nos. STN 50-528, STN 50-529 and STN 50-530

Dear Administrative Judges:

On November 24, 1982 counsel for NRC staff, Lee Scott Dewey, sent you a letter suggesting that you not consider West Valley Agricultural Protection Council, Inc.'s (West Valley) "Supplemental Memorandum" in support of its petition to intervene. While West Valley recognizes that under NRC regulations it has no right to file a reply brief, we believe the brief includes analysis which you will find useful in considering West Valley's petition to intervene. Since the document will be useful to you and since it does not contain any new information improperly submitted for the first time in reply papers, we request that you consider the Supplemental Memorandum.

Sincerely,

Kenneth Berlin
