Clevite Corporation
Mechanical Research Division
540 East 105th Street
Cleveland 8, Ohio

Attention: Mr. D. J. Berger
Executive Assistant

Gentlemen:

Reference is made to your letter of March 14, 1962, requesting renewal of License SNM-183 to extend the expiration date to March 31, 1964, and amendment of the license to reduce from 55.8 kilograms to 300 grams of U-235 the maximum possession limit under the license. For administrative purposes we have considered your application of March 14, 1962, as timely filed pursuant to Section 70.33(b) of 10 CFR 70.

In view of the length of time since your original application was filed, of the number of addenda that have since been submitted, the change in scope of your activities, and the fact that your request for renewal and amendment does not make clear and specific reference to the pertinent data contained in previous applications, you are requested to submit within 30 days from the date of this letter a new application containing the information required by Section 70.22, 10 CFR 70, including but not limited to an up-to-date description of the activities you wish to perform and of your procedures, facilities, and equipment to assure compliance with 10 CFR 20.

Very truly yours,
