Dear Mr. Hukill:

By letter dated February 25, 1982, GPU Nuclear submitted a summary of the TMI-1 Radiological Field Operations Training Program used to train Radiological Control Foremen and Technicians. This program was submitted in accordance with Technical Specification 6.3.2 as an alternative to meeting the standards of ANSI-N 18.1-1971. We have reviewed your program and find it acceptable subject to the incorporation of certain experience requirements for Radiological Control Foremen and Technicians. The experience requirements are delineated in the enclosed Safety Evaluation. Per conversation with Mr. E. Wallace of your licensing staff, GPU Nuclear agreed to incorporate the specified experience requirements for Radiological Control Foremen and Technicians within the training and qualification program.

Our evaluation is enclosed.

Sincerely,

"ORIGINAL SIGNED BY:"

John F. Stolz, Chief
Operating Reactors Branch #4
Division of Licensing
