Attention: Mr. J. E. Dawson

Gentlemen:

This is in response to your letter of July 3, 1963, concerning the disposal of sealed sources containing Cobalt 60.

A list of licensees authorized to receive Cobalt 60 is not available from the Commission. We are enclosing a list of firms who may be of aid to you in this respect.

We are also enclosing our Press Release No. F-105 of May 28, 1963, concerning the Oak Ridge National Laboratory's wastes disposal service. Note that this service will not be available for waste materials shipped on or after August 12, 1963.

Very truly yours,

Cecil R. Buchanan  
Assistant Chief, Isotopes Branch  
Division of Licensing and Regulation

Enclosures:  
As stated above
