Dear Mr. Campbell:

This is in response to your October 1, 1982 request for our formal concurrence in the final Remedial Action Concept Paper (RACP) for the tailings site at Salt Lake City, Utah. Our review indicates that the revised RACP accurately reflects the agreements reached between Mark Matthews and Kathleen Hamill of our respective staffs regarding the specific NRC comments. Therefore, we concur in the Remedial Action Concept Paper, as revised.

Sincerely,

Original Signed by:
