SUBJECT: STAFF REQUIREMENTS - BRIEFING BY REGULATORY
REFORM TASK FORCE - ADMINISTRATIVE PROPOSALS,
1:30 P.M., MONDAY, NOVEMBER 22, 1982,
COMMISSIONERS' CONFERENCE ROOM, D.C. OFFICE
(OPEN TO PUBLIC ATTENDANCE)

The Commission was briefed by the Regulatory Reform Task Force (RRTF) on its draft report on legislative and administrative recommendations on nuclear licensing reform.

A majority of the Commission, Commissioners Gilinsky, Ahearne and Asselstine, indicated they did not favor publishing the administrative package as an advance notification of rulemaking at this time.

The Chairman requested that individual Commissioners, members of the staff, and the Senior Advisory Committee submit any comments on the draft report to the RRTF early next week.

The Commission requested that OGC provide the reference to its earlier memorandum on the "Meaning of Adequate Protection to the Public Health and Safety."

(Subsequently, additional meetings regarding the RRTF proposals on the legislative portions of the Task Force proposals were scheduled for December 8, December 16, and December 22.)
