Reference: Facility Operating License No. NPF-86, Docket No. 50-443

Subject: Emergency Response Manual Revision

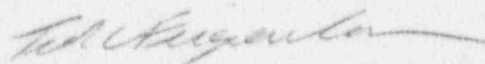

Gentlemen:

Enclosed, please find a controlled copy of the Seabrook Station Radiological Emergency Plan (SSREP) which has been updated to include the most recent revision thereto (Revision 5). The enclosed copy of the SSREP is intended to replace all SSREP material previously provided. Also enclosed are selected replacement controlled copies of Revision 27 of the Seabrook Station Production Emergency Response Manual (NPER). These documents are being provided at the request of NRC Region I personnel.

These documents are issued as a controlled distribution, and it is requested that you sign the receipt acknowledgement forms and return them to the Seabrook Station Records Management Department. The enclosed receipt acknowledgement forms document receipt of these revisions.

Should you have any questions regarding these changes, please call Mr. James M. Peschel, Regulatory Compliance Manger, at (603) 474-9521, extension 3772.

Very truly yours,

Ted C. Feigenbaum
