Subject: Document Draft Regulatory Guide and
Value Impact Statement Task HF 608-4
"Training and Certification of Independent
Spent Fuel Storage Installation Operations"
dated March 26, 1982

Dear Sir:

It has come to my attention that my comments on the subject document have been considered to be a Bechtel Power Corporation position. My comments should be considered only as personal comments from an interested citizen.

Please accept my apologies for any inconveniences that my comments may have caused.

Respectfully yours,

B. J. Wells
