Dear Mr. Underkofler:

SUBJECT: ROUTINE INSPECTION NO. 030-01927/94-001

On January 5, 1994, I. Czerwinskyj of this office conducted a routine safety inspection at the above address of activities authorized by the above listed NRC license. The inspection was limited to a review of your research laboratories.

The findings of the inspection were discussed with Mr. Joseph Squicciarini at the conclusion of the inspection.

It is our understanding that you have not used or possessed radioactive materials for human use during the last two years, and that you do not plan to resume such use in your Nuclear Medicine Department in the future. You have submitted an application to the NRC asking to discontinue the possession or use of radioactive materials for human use. You will continue to use byproduct materials in your research department.

Within the scope of this inspection, no violations were identified.
