Gentlemen:

This will acknowledge receipt of your letter dated January 26, 1994, and your check for \$17,500 in payment for the civil penalty proposed by NRC in a Notice of Violation and Proposed Imposition of Civil Penalty (Notice) dated December 28, 1993.

Your corrective actions for several of the violations in the Notice were discussed during a telephone conversation between Mr. John A. Grobe and Ms. Elizabeth Peterson on February 10, 1994. During that conversation, you provided the following additional information:

- Your corrective actions for Violation A.6 included: (1) the authorization of Building 404, Location W42, Yermo Annex, as a radioactive materials storage area; and (2) the examination of all other storage areas by the Base Radiation Safety Officer to assure proper radioactive materials storage.
- You will submit a license amendment before March 15, 1994, modifying the alarm set point for the Johnson Air Monitor as part of your corrective actions for Violation A.8.
- By January 1, 1994, you updated the implementation of your radiation safety programs to conform with the revisions to 10 CFR Part 20.
