NOTE TO: William O. Miller, ADM

DIABLO CANYON 1

*R.D.*  
*3/4/85*

On August 15, 1984, I sent you a standard memo describing IE activities (i.e., IE staff's efforts and contractor costs) related to Diablo Canyon 1 (50-275) for the period 1/1/73 through 6/23/84. I now realize that I should not have sent you this information.

Your request of 7/17/84 was for information on efforts and costs associated with Diablo Canyon 1 for the period of 4/23/68 through 9/22/81. All the IE staff efforts in my 8/15/84 memo were for FY 1983 and FY 1984 and fell outside your requested period. There were no contract costs in my memo.

I will withdraw my submittal of 8/15/84. Do you want something else?

Program Support and Analysis Staff  
Office of Inspection and Enforcement
