

JUN 26 1990

Pacific Science & Engineering Group, Inc.  
Attn: James R. Callan  
5090 Shoreham Place, Suite 206  
San Diego, CA 92122

Dear Dr. Callan:

Subject: Request For Best and Final Offer Under Proposal No.  
RS-RES-90-074 Entitled "Human Factors Evaluation of Brachytherapy  
Using Remote Afterloaders"

Based upon discussions held on June 25, 1990, you are hereby afforded the opportunity to submit your "Best and Final" offer including any revisions you deem necessary to enhance your proposal. A negative response is requested if no revisions or clarifications are being made.

It is requested that you submit your "Best and Final" offer in an original and three copies each of both your technical and business proposals to the address below, no later than 3:30 PM on Monday, July 9, 1990:

U.S. Nuclear Regulatory Commission  
ATTN: Mary Little - RFP No. RES-90-074  
Division of Contracts and Property Management, P-1042  
Washington, DC 20555

Hand-carried proposals should be addressed as indicated above and delivered by the time and date specified above to 7920 Norfolk Avenue, Bethesda, Maryland 20814. A response received after the date and time stated above will be processed in accordance with 52.215-10, Late Submissions, Modifications, and Withdrawals of Proposals (DEC 1989).

Following receipt of your submission, no further communication from the NRC can be expected until all evaluations and reviews have been completed. At that time, you will be notified whether your organization has or has not been selected for award.

Any further questions regarding this matter should be addressed to Mary Little on (301) 492-4289.

Sincerely,  
Mary H. Mace, Contracting Officer  
Contract Negotiation Branch No. 2  
Division of Contracts and Property Management  
Office of Administration
