In order to respond to a Congressional request concerning the costs expended by the NRC for the subject reactors, please provide the actual professional staff hours expended by the ACRS for the periods shown below:

	<u>Actual Professional Staff Hours Expended</u>		
	<u>4/23/68 to</u> <u>2/28/81</u>	<u>3/1/81 to</u> <u>2/28/82</u>	<u>Totals</u>

Diablo Canyon 2	_____	_____	_____

Unless you designate otherwise, we will assume that the ACRS manpower relates to the safety review of the reactor rather than to environmental, antitrust or safeguards considerations. The time spent for actual travel (transit time) related to the review, if any, should not be shown in the professional staff hour figures.

Please provide the information as soon as possible but no later than c.o.b. April 2, 1982.
