Re: Atlas Corporation

Dear Mr. Hall:

Thank you for speaking to Kim Covey and myself this morning regarding the outstanding Letter of Credit No. 119907 issued by Bank of America in favor of the U.S. Nuclear Regulatory Commission. In order to facilitate the replacement of the Bank of America Letter of Credit by the Norwest Bank Letter of Credit, I would appreciate it if you would notify Bank of America when you are satisfied with the form of the Norwest Bank Letter of Credit. Please do so by sending a letter by fax to my attention at 312/269-4689 in the following form, and containing such other information as you deemed pertinent:
