Summary of Discussions: On December 2, 1993, representatives of ARCO met with the NRC in the URFO office to discuss reclamation activities at the Bluewater Mill near Grants, New Mexico. The primary purpose of the meeting was to acquaint ARCO with LLUR representatives prior to the transfer of licensing responsibility to LLUR. The topic discussed at the unannounced meeting was the settlement plan ARCO submitted by letter dated October 25, 1993. The information requested during our meeting with ARCO on November 10, 1993, was submitted for NRC review.
