Gentlemen:

We would like to obtain a thorium user permit so that we may have a portion of the ThS which is now in the possession of Dr. Leo Brewer, Department of Chemistry and Chemical Engineering, University of California, Berkeley 4, California, transferred to us by him.

We would appreciate your advising us as to the proper procedure to follow so that we can make this transfer as quickly as we can comply with your regulations.

Yours very truly,

CLEVITE RESEARCH CENTER
