Re: Radiation Technology, Inc.
Case No. 1-89-006; District of New Jersey

Dear Mr. Alito:

Enclosed, for whatever action you deem appropriate, is the NRC's Office of Investigations' Supplemental Report of Investigation No. 1-89-006S, relative to the captioned case. The original report (1-89-006) was forwarded to your office by letter dated February 16, 1990, by Lawrence Lippe, Chief, General Litigation and Legal Advice Section, Criminal Division, U.S. Department of Justice, for your consideration, review and prosecutive determination.

The enclosed report contains additional information provided by the former Radiation Safety Officer of Radiation Technology, Inc.

If you have any questions regarding this matter, please feel free to contact Ernest P. Wilson, Investigator, Region I, or myself at (215) 337-5305.

Sincerely,

Chester W. White, Director
Office of Investigations
Field Office, Region I
