The Honorable John R. Kasich
United States House of
Representatives
Washington, DC 20515

Dear Congressman Kasich:

I am responding to your letter dated January 18, 1994, enclosing correspondence from your constituent, Mr. Tim Wagner, who is representing the Battelle Permit Opposition Committee. I would like to inform you of actions the U.S. Nuclear Regulatory Commission intends to take to address Mr. Wagner's concerns.

Our responsible Regional Office in Illinois has sent a letter to Mr. Wagner to notify him that it has received his letter and will review his concerns. Inspectors from this Regional Office visited the Battelle facility during the week of January 31, 1994, to review the facility's programs and to determine if the facility is being operated in compliance with NRC requirements. The results from this site visit will be reviewed to determine if additional NRC actions are required. When we finish this review, Ms. Natalie Fuehrer in your district office will be notified of our findings.

I trust this reply responds to your concerns.

Sincerely,
