U.S. Nuclear Regulatory Commission  
Division of Contracts and Property Management  
Contract Negotiation Br. 2; P-1042  
Washington, D.C. 20555

Attn: Patricia Smith

Subject: NRC Solicitation No. RS-RES-89-083

Dear Ms. Smith:

SC&A, INC. is pleased to submit this proposal to provide technical assistance to the NRC for rulemaking and regulatory analysis for requirements primarily involving administrative and procedural modifications to NRC licensed facilities. Our proposal is submitted in three volumes as follows:

Volume I - Two (2) original signed copies of the solicitation package.

Volume II - One (1) original and 8 copies of the Technical and Management Proposal

Volume III - One (1) original and 8 copies of the Cost Proposal

SC&A has assembled a truly outstanding project team to support the Agency in this requirement. Should the NRC favorably consider this proposal, SC&A would agree to perform under a cost plus fixed fee contract based on the schedule articles and General Provisions contained in the solicitation. Our proposal is valid for a period of 120 days from the date of closing.

SC&A and our two proposed subcontractors are classified as small businesses according to the criterion given in the solicitation. Therefore, a small business subcontracting plan is not required.
