MAR 25 1957

M. A. Fidler, Manager,
San Francisco Operations Office, Oakland, Calif.

Byall Johnson, Chief, Licensing Branch and
Division of Civilian Application, Washington-4

**AUTHORIZATION FOR CLEVITE RESEARCH CENTER TO PURCHASE THORIUM
SULFIDE FROM THE AEC.**

SYMBOL: CAL:RFB

Transmitted herewith are (1) a copy of Source Material License No. C-3692,
and (2) a copy of our letter to Clevite Research Center authorizing
them to purchase five grams of thorium sulfide from the AEC. Enclosed
also are copies of letters dated February 28, 1957 and March 18, 1957
from Clevite Research Center applying for the license and authorization.

You are hereby authorized to supply up to five grams of thorium
sulfide to Clevite Research Center, removing it from AEC inventory as
a transfer to a licensee.

Any questions regarding billing or accountability procedures should
be referred to the appropriate Washington Division for resolution.
