RE: FOI Request

Dear Mr. Grimsley:

Pursuant to the federal Freedom of Information Act, 5 U.S.C. 552, I am requesting copies of all documents pertaining to construction, renovation, (including furniture, artwork, etc.) of the office suite of NRC Commissioner Forrest J. Remmick.

More specifically, I am requesting unexpurgated copies of all documents pertaining to the renovation of Commissioner Remmick's new "White Flint North" office at 11555 Rockville Pike, Rockville Md.

My understanding is that Mr. Remmick moved from suite 18 G1 to 18 H1 within the past six months, and that 18 H1 was renovated and redesigned at his request.

I do not believe my request, as a journalist, should require any expenditure on my behalf, but I will agree to pay reasonable search and duplication fees for the processing of this request in an amount not to exceed \$10.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the Act.

As this information is of a timely value to me, I would appreciate your communicating with me by telephone, rather than by mail, if you have questions regarding this request. I look forward to your reply within 10 days, as the statute requires.

Thank you for your assistance.

Sincerely,

  
Jim Lynch
