Gentlemen:

Subject: Routine and Special Inspection No. 90-001

This letter is being sent to correct a typographical error which appeared in one of the enclosures to our letter dated December 12, 1990, transmitting Appendix A, Notice of Violation and an inspection report of the inspection conducted November 13 to 15 and 26, 1990. We noted that the doses identified in paragraph B of the Notice of Violation were incorrectly identified as 1610 rems and 1770 rems. These doses should be 1610 millirems and 1770 millirems. We have corrected our records as appropriate.

We apologize for any inconvenience this error may have caused.

Sincerely,

Original Signed By:
