Dear Mrs. Broady:

Your letter of March 3, 1972, has been received in the ACRS Office. Copies have been forwarded to the members of the Committee and the AEC Regulatory Staff for use in review of the application for the Cooper Nuclear Station.

Please be assured that the matters you question have received and will receive further consideration in the review of this project. I understand that representatives of the USAEC Regulatory Staff will be meeting with you on April 12, 1972, to discuss the effects that operation of the Cooper Nuclear Station may have in the areas where you have expressed concern.

Sincerely yours,

Raymond F. Fraley  
Executive Secretary
